

Troubled by a Past Choice?

Come to Me, all you who are heavy burdened, and I will give you rest. Matthew 11:38

Every year women and men suffer the after-effects of abortion which can include:

- Depression
- Guilt
- Intense grief/sadness
- Anger/rage
- Bouts of crying
- Eating disorders
- Emotional numbness
- Lowered self-esteem
- Drug and alcohol abuse
- Flashbacks/nightmares
- Suicidal urges
- Fear of pregnancy/pregnant women
- Anxiety/panic attacks
- Repeat abortions/crisis pregnancies
- Difficulty with relationships
- Inability to forgive self or others
- Fears of punishment from God
- Sexual dysfunction

Rachel's Vineyard is a Christian Ministry to women and men burdened by the trauma of abortion.

Our weekend retreats offer an emotionally safe environment for each one to work through grief, heartache, guilt, shame and anger, all associated with the loss of a child by abortion. Scriptural insights help provide opportunities to understand and know God's forgiveness in Christ, with a deeper awareness of His grace and mercy.

Fear not, for I have redeemed you; I have summoned you by name; you are mine. When you pass through the waters, I will be with you; and when you pass through the rivers, they will not sweep over you. When you walk through the fire, you will not be burned. For I am the Lord, your God, the Holy One of Israel, your Savior. Forget the former things; do not dwell on the past. See, I am doing a new thing. Now it springs up; do you not perceive it? I am making a way in the desert and streams in the wasteland. Isaiah 43:1-3, 18-19

Come, let the healing begin . . .

Directions and map to retreat
Location will be mailed out
to you at time of registration.

Rachel's Vineyard Retreats
A place of hope, help, healing.

Abortion hurts,
More than we ever imagined.

We have been there.

You are not alone.

Just when we felt our hearts would break beyond repair, we discovered a place where we could talk about our pain, and place our hearts in the loving hands of others who understood.

God met us there too. Where?
Rachel's Vineyard.

This very unique and gentle weekend retreat allows you to walk through the healing process at your own pace. There is time for individual help and time for group work, time to cry and a time to rest. There is even time for walks along the lakefront.

There are times of exploring Scripture to see for yourself that God is a God who forgives and loves you still.

Hurting?

Why not give yourself the gift of a Rachel's Vineyard Retreat?
